

GenderEquity Training

Women's Health in the South East (WHISE) is the provider of choice for gender equity training.

Gender equity training aims to build the capacity of organisations to create inclusive workplaces.

Training details

WHISE provides experienced facilitators and flexible training options responsive to the needs of your organisation.

The training is focused on building capacity in two areas:

- 1) organisational level implementation
- 2) individual knowledge and practice

Costing

Includes facilitation and resources. Costs vary according to length of training and number of participants

- all day workshops
- half day workshops
- short session training (1-2hrs duration)

Training can be delivered on site or at the WHISE training facilities in Dandenong.

Discounts are available for not-for-profit organisations.

Organisations with higher levels of gender equality

- attract the best employees
- minimise legal risks
- reduce staff turnover costs
- enhance organisational performance
- improve access to target markets/groups
- enhance organisational reputation
